THINKING OF A CAREER IN THE WORLD? ENGLISH WILL OPEN ALL DOORS FOR YOU

Courses provided by Magister Academy, irrespective of the starting level of each student, guarantee that all students improve their English Language communicative skills in a very short time.

All teachers are native speakers, and are professionally trained to teach Communicative English to foreigners. Active learning takes place in a modern and dynamic interactive environment.

Study programmes are tailor-made to meet the personal needs of each student.

Courses in public speaking and on the psychology and technique of approaching examinations, are two of the many special characteristics of courses at this academy .
